accessories

# SAVE up to 50% on your first order

Introductory offer good for new customers only, upon credit approval. Cannot be combined with other offers. New customers who sign up for delivery service under this offer will receive a one-time account credit up to 50% of their first order (excluding taxes, deposits, and fees) toward their first invoice and will not be charged a delivery fee/fuel surcharge on their first delivery. Maximum account credit is \$50. Account credit cannot be redeemed for cash. Customer must purchase a minimum of \$20.00 of beverages. New customers do not include any customers who have had a delivery through one of Nestlé Waters North America's regional bottled water brand delivery services in the past twelve months. Discount does not apply to applicable bottle deposit, sales tax, the purchase of accessories or the purchase or rental of dispenser equipment. If, as part of your plan, you receive free use of a dispenser, the dispenser will be free for the first 12 months, after which you will be charged the then current standard rental fee. If dispenser shown is not available, a substitute of equal value may be provided. LIMIT: One (1) account credit per customer account. Account and/or bottle deposits, activation fees, and certain restrictions apply. Plans and pricing subject to change at any time. Service available in most areas. Offer expires 12/31/16. ©2016 Nestlé Waters North America Inc.

## Quality Refreshment Delivered To Your Door.

It's important to keep employees and customers refreshed throughout the week. That's why ReadyRefresh<sup>SM</sup> by Nestlé<sup>®</sup> is here to help you keep refreshment on hand, providing convenient ways to personalize your service terms and delivery times.

### Expanded Delivery Times:

Choose what works best for you, Monday through Friday 7 a.m. – 8 p.m. (subject to availability)

### Ease and Variety:

Simplified ordering, with beverages for every taste and occasion.

### Service on Your Terms:

Customize your order with different delivery options, from one-time to recurring, on any item.

### Environmentally Friendly:

Our Eco-Sense<sup>®</sup> 5-Gallon bottles are now made of PET #1 plastic, which is BPA-free. The bottles are cleaned, refilled and reused nearly 20 times before they're recycled.
